Dear Sir:

DECLARATION UNDER 37 C.F.R. § 1.132

I, Henry Miller, am an inventor on the parent application (now U.S. Patent No. 6,479,298) of the above-captioned application.

I signed a Declaration for the above-captioned application on November 19, 2003. Upon further review, I note that I am not an inventor on the above-captioned application. I believe the previous Declaration was mistakenly sent to me, and I mistakenly signed it. This error was made without deceptive intent.

All statements made herein based on my own knowledge are true, and statements made on information and belief, are believed to be true. I understand that willful false statements and the like are punishable by fine and/or imprisonment (18 U.S.C. § 1001), and may jeopardize the validity of the present application and any patents issuing from the present application.
